Brenda,

Congratulations on the successes you've had this year; developing an Affiliate group locally is not an easy task but you make it look simple! We are constantly amazed by the outreach you have personally done to better the community for nontheists and for locals around Fort Bragg. To that end, we have two awards for you.

The first is the President's Volunteer Service Award, at the Silver Level. This means you were recorded at 445 volunteer hours during 2014 for MASH related events and service. You were the only MAAF volunteer to reach this level of service in 2014. Presidential recognition sets you apart from your peers. Even though you may not seek recognition, your example delivers a powerful message that encourages others to take action.

The second award is The MAAF All Star award for Exceptional Community Service. You and your local group have championed several causes in your community with great success. Truly, you have done good for the sake of doing good. We hope other affiliates will take cues from the examples that MASH Fort Bragg sets within their own communities.

Thank you for the time and effort you have put forward to making your group successful! MAAF would not exist if it were not for members like you. Jason and I can't wait to see what you and your group will do in 2015. Keep up the great work!

Congratulations again!
